

EITAS ENERGY CREDIT SCHEME WAIVER

Please review below the Terms and Conditions of the EITAS Energy Credit Scheme (supported by LCC Group) and sign to confirm full acceptance. Section A must be signed by the Homeowner and Section B by the Installer.

SECTION A: Homeowner Declaration

1. Data Protection

You hereby agree that we as the Installer may disclose any of your personal data relating to the Works (including but not limited to your name, property address and type, MPRN, works carried out and completion date) to EITAS & SEAI.

2. Facilitating Quality Audits

You may be requested to allow EITAS or SEAI to carry out a quality audit of the Works and you hereby agree to facilitate such an audit if requested.

3. Transfer of Ownership of Energy Credits

You hereby agree that all works described below have been completed and that any Energy Credits allocated by SEAI to the Works will be assigned to the LCC Group and you hereby undertake to comply with any reasonable requirements to effect the transfer of such credits to the LCC Group.

4. SEAI Better Energy Home Grants

You hereby agree that your Installer has explained that the works completed within your home may be subject to SEAI Better Energy Home Grants and that any SEAI grants must have been applied for before works commenced.
